Hi Steven,

Have you connected with Department of Interior at all? I know FWS is working on their number, but I haven't heard anything final from them yet. Once we hear from them, I should be able to quickly get you a draft settlement.

Thanks,

ap

Peter and Walt,

Thanks for chatting this morning about potential settlement at Richardson Flat. I sent an email to Fish and Wildlife, and they asked the following:

How many acres is the property? How many acres are in the floodplain/have been restricted? I know we've had some preliminary conversations, but it would be helpful if I can pass along an email. You can also reach out directly to Dana Jacobsen, the DOI attorney on this case, copied on this email.

Thanks,
